Section 2. — WHEN TO FILE RETURNS: The following is a list of important dates during the year that you should take note of. (**Note:** If any due date falls on a Saturday, Sunday, or legal holiday, substitute the next regular work day as the due date.)

By January 31:

- Give each employee copies B and C of Form HW-2, Statement of Hawaii Income Tax Withheld and Wages Paid.
- Give the recipients the applicable federal Form 1099. Refer to the Instructions for Form N-196, not included in this booklet.
- File Form HW-30, Employer’s Transmittal of Hawaii Income Tax Withheld from Wages, together with the hard copies Statements of Hawaii Income Tax Withheld and Wages Paid (copy A of Forms HW-2 or copy 1 of federal Forms W-2).
- Upload EFW-2’s via Hawaii Tax Online, Simple File Import or the Bulk File System. No Form HW-30 needed.

By February 28 (or February 29 in a leap year):

- File the **State** transmittal Form N-196 along with applicable federal Forms 1099. Refer to the Instructions for Form N-196, not included in this booklet.

By the 15th day of the month following the close of your filing period:

- File Form HW-14, (Quarterly) Withholding Tax Return, for the preceding quarterly period for which taxes have been withheld. Form HW-14 can be electronically filed on Hawaii Tax Online.

When Employment Ends:

- Give each employee copies B and C of Form HW-2 within 30 days after the date you receive a written request from the employee, if the 30-day period ends before January 31. See Section 18.

When the Employer’s Obligation to Withhold Taxes Is Terminated Other Than Temporarily:

- File Form HW-30 together with copy A of Forms HW-2 or copy 1 of federal Forms W-2 at the same time you file the final Form HW-14.
- Upload EFW-2’s via Hawaii Tax Online, Simple File Import or the Bulk File System. No Form HW-30 needed.

Section 3. — DETERMINATION OF TAX REMITTANCE FREQUENCY: Your annual State withholding tax liability determines when you remit the taxes to the State.

(a) Quarterly. If your annual State withholding tax liability is \$5,000 or less:

- Remit taxes quarterly with Form VP-1, i.e., by the 15th day of the month following the close of the preceding quarterly period.

(b) Monthly. If your annual State withholding tax liability exceeds \$5,000 and does not exceed \$40,000:

- Remit taxes monthly with Form VP-1, i.e., by the 15th day of the month following the close of the preceding monthly period.

(c) Semi-weekly. If your annual State withholding tax liability exceeds \$40,000 or if you are required to deposit your federal withholding taxes using the Internal Revenue Service’s semi-weekly deposit schedule:

- Remit taxes semiweekly with Form VP-1 as follows:
 - Wednesday: if taxes are withheld from wages paid the immediately preceding Wednesday, Thursday, or Friday; or
 - Friday: if taxes are withheld from wages paid the immediately preceding Saturday, Sunday, Monday, or Tuesday.
- The Department will adhere to the federal “Three-Day Banking Rule,” which allows semiweekly depositors three banking days to make the deposit. In general, if a deposit is required to be made on a day that is not a banking day, the deposit is deemed timely if it is made by the close of the next banking day. Saturdays and Sundays along with federal and state bank holidays are treated as nonbanking days. For semiweekly depositors, if any of the three weekdays after the end of the semiweekly period is a banking holiday, the employer will have one additional banking day to make the deposit. For example, if a semiweekly depositor accumulates taxes for payments made on Friday and the following Monday is not a banking day, the deposit that is normally due on Wednesday may be made on Thursday (to allow a total of three banking days to make the deposit).
- The Department will not be conforming to the federal four quarter lookback period under Treas. Reg. section 31.6302-1(b)(4), which determines the status of an employer as a semiweekly depositor by aggregating the amounts of taxes reported on the employer’s prior four quarterly returns.
- See Tax Information Release No. 2004-01, RE: Act 113, Session Laws of Hawaii 2004, Relating to Income Tax Withholding, for more information.

Note: If depositing taxes on the same date for different filing periods (i.e., if taxes withheld from wages paid in two different months must be deposited on the same day), you must make two separate deposits and properly apply the deposits to the appropriate filing periods.

Example: Employer pays employees daily. Income tax withheld from wages paid to employees on Wednesday, Thursday, and Friday must be deposited on the following Wednesday. If the Wednesday and Thursday payroll dates fall on the last two days of June and the Friday payroll date falls on the first day of July, then two deposits must be made on the following Wednesday. One deposit is made for the Wednesday and Thursday payroll dates that fell in June and the payment designated to the June filing period. A separate deposit is made for the Friday payroll date that fell in July and the payment designated to the July filing period.

ELECTRONIC FUNDS TRANSFER (EFT) — Sections 231-9.9 and 235-62(a), HRS, require those taxpayers whose State withholding tax liability exceeds \$40,000 or who are required to pay federal withholding taxes by EFT to pay State withholding taxes by EFT on a semiweekly basis.

Note: Administratively, the Department will not require an employer whose withholding liability exceeds \$40,000 to pay by EFT if such employer is not required to also remit their federal employment taxes electronically via the Electronic Federal Tax Payment System (EFTPS). Semiweekly payments that are not made by EFT must be attached to a completed Form VP-1, Tax Payment Voucher. To avoid penalties that may apply to the failure to file by EFT, employers must provide the Department with some evidence that they do not pay their federal employment taxes by EFTPS (thus showing that they are not required by the Internal Revenue Service to pay by EFTPS). See Tax Information Release No. 2004-01 for more information.

Please note that under section 231-9.9, HRS, and the accompanying administrative rules, taxpayers whose liability for any tax is more than \$100,000 in any one taxable year shall be required to participate in the EFT program upon notification by the Department that the taxpayer is required to participate. Electronic payment shall be required by any taxpayer meeting the \$100,000 threshold, notwithstanding the administrative exemption from EFT requirements noted above. Any taxpayer who does not meet the criterion may still voluntarily pay by EFT. For more information on paying taxes by EFT, see Tax Information Release Nos. 95-6, 99-1, and 2004-01. **IMPORTANT!** A penalty of 2% of the tax due will be assessed if a taxpayer who is required to make payments by EFT fails to do so. If an EFT payment is dishonored, a \$25 service fee will be assessed.

Section 4. — WHERE TO FILE: All Hawaii withholding returns, payments, and statements must be filed by mailing the items to the Hawaii Department of Taxation, P.O. Box 1425, Honolulu, HI 96806-1425 or by filing the items in person at the district offices listed on page 3. Periodic withholding tax returns (Form HW-14), including amended returns, can be filed and payment made electronically through the State's Internet portal. For more information, go to hitax.hawaii.gov.

Note: Effective for taxable periods beginning on or after January 1, 2020, the Department requires certain taxpayers, including employers whose withholding tax liability exceeds \$40,000 annually, to file Forms HW-14 and HW-2 electronically at hitax.hawaii.gov unless a waiver is obtained by filing Form L-110. **IMPORTANT!** A penalty of 2% of the tax due will be assessed if a taxpayer who is required to file electronically fails to do so. For more information, see Tax Announcement No. 2019-11.

Section 5. — EMPLOYER'S DUTIES: The following is a general list of employers' responsibilities regarding Hawaii withholding taxes. For further information, you should refer to the sections of this booklet as indicated below:

- (a) New Employers — See Section 7.
- (b) Identification Number — Apply for an employer's withholding Hawaii Tax Identification Number, if you do not already have one. See Section 6.
- (c) Form HW-4 — Obtain a Form HW-4, Employee's Withholding Allowance and Status Certificate, from each employee. Instruct each employee to file a new certificate with you when required. See Section 12 for situations in which the employee must furnish you with a new certificate.
- (d) Withholding Tax — Determine whether withholding is required for each employee. See Section 10. If withholding is required, compute the amount of withholding. See Section 15.
- (e) Form HW-14 — File periodic withholding tax returns (Form HW-14) quarterly and remit the taxes withheld based on your payment frequency (quarterly, monthly, or semi-weekly). See Sections 2, 3, 4, and 16.
- (f) Form HW-30 — File an annual withholding transmittal (Form HW-30) by January 31 following the close of the calendar year, or when your obligation to withhold taxes is terminated permanently. See Sections 2, 3, and 17.
- (g) Form HW-2 — Give each employee copies B and C of Form HW-2 by January 31 following the close of the calendar year, or when your employee has terminated employment. See Sections 2 and 18.
- (h) Terminating an Employee — Furnish the employee with copies B and C of Form HW-2. See Sections 2 and 18.

- (i) Going Out of Business or Permanently Ceasing to Pay Wages — File a final return for Forms HW-14 and HW-30. See Sections 2, 3, 4, 16, and 17. File Form GEW-TA-RV-1, Notification of Cancellation of Tax Licenses and Tax Permits. Furnish each employee with copies B and C of Form HW-2. See Section 18.
- (j) Change of Address or Change of Business Name — File Form ITPS-COA to change your address or Form BB-1 to change the business name. Do **not** file Form BB-1 for a change of ownership when a new Federal Employer Identification Number is required. Instead, the former business owner must file Form GEW-TA-RV-1, Notification of Cancellation of Tax Licenses and Tax Permits, to cancel the Hawaii Tax I.D. No. The new business owner must apply for a new Hawaii Tax I.D. No.
- (k) Recordkeeping — Keep full, complete, regular, and accurate accounts pertaining to withholding taxes available for inspection by the Department. See Section 19.

Section 6. — EMPLOYER’S WITHHOLDING HAWAII TAX IDENTIFICATION NUMBER: Each employer must apply for an employer’s withholding Hawaii Tax I.D. No. This number must be used on all returns, applications, and statements and in all correspondence with the Department. Do not confuse your Hawaii Tax I.D. No. with your Federal Employer Identification Number.

You may apply for a Hawaii Tax I.D. No. by completing Form BB-1 and filing it with the Department. Applications may also be submitted online through our website at hitax.hawaii.gov or through the Hawaii Business Express website at www.hbe.hawaii.gov.

You may have only one Hawaii Tax I.D. No., unless the Director of Taxation assigns an additional number to a unit of your business or for services not in the course of your trade or business.

If you acquired your business from another person, do not use the number assigned to your predecessor. Instead, you must apply for a new Hawaii Tax I.D. No.

Section 7. — INFORMATION FOR NEW EMPLOYERS: The following is a general list of registration requirements for new employers. It is intended to be a guide rather than an exclusive list of all registration requirements.

- (a) Obtain an employer’s withholding Hawaii Tax I.D. No. (see Section 6). You may use Form BB-1, State of Hawaii Basic Business Application, for this purpose.
- (b) Obtain a Federal Employer Identification Number.
- (c) Contact the Hawaii Department of Labor and Industrial Relations for information regarding unemployment insurance, worker’s compensation, temporary disability insurance and prepaid health care. An individual or organization that has one or more employees must register with the Unemployment Insurance Division within 20 days after services in employment are first performed.

Section 8. — WHO IS AN EMPLOYER: Section 235-61, HRS, defines an employer as, “(1) the person or government for whom an individual performs or performed any service, of whatever nature, as the employee of such person or government, and (2) the person having control of the payment of the wages if the employer as heretofore defined does not have control thereof, and (3) any person subject to the jurisdiction of the State and paying wages on behalf of an employer as heretofore defined if the employer is not subject to the jurisdiction of the State.”

An employer may be an individual, corporation, partnership, trust, estate, joint stock company, national bank, insurance company, business trust, association, syndicate, group, pool, joint venture, or other unincorporated organization.

The term employer includes the State of Hawaii, each political subdivision of the State, and agencies of the State or a political subdivision. The term employer includes not only individuals and organizations engaged in trade or business, but organizations exempt from income tax, such as religious, educational, charitable, and social organizations and societies.

The term employer does not include any government that is not subject to the laws of the State except as, and to the extent that, it consents to the application of the Hawaii Withholding Law.

Section 9. — WHO IS AN EMPLOYEE: An employee is an individual who performs services and the relationship with the person for whom the individual performs such services is the legal relationship of employer and employee. Common law rules apply. Generally, an employee is subject to the will and control of the employer, both as to what shall be done and how it shall be done. The employer usually has the right to discharge the employee, furnishes the tools, and the place of work. An employee may be employed on a full or part-time basis. If the employer-employee relationship exists, it is immaterial that an employee is designated by the parties as a partner, coadventurer, agent, or independent contractor, or that the

compensation is called fees, charges, commissions, etc. In determining whether the employer-employee relationship exists in a particular case, all the facts and circumstances must be taken into consideration.

Employees include managers, superintendents, and others exercising supervisory functions, as well as officers of a corporation, except directors in their capacity as such. Officers and elected officials are considered employees by express provision of the statute (section 235-61(a), HRS).

Generally, an individual may not be considered an employee if (a) the individual has been and will continue to be free from control or direction over the performance of the business or services undertaken by such individual, (b) the business or services are performed outside of all the places of business of the potential employer, and (c) the individual is customarily engaged in an independently established trade, occupation, or business of the same nature undertaken for, with, or at the order of the potential employer.

In general, individuals who are in business for themselves are not employees. This includes physicians, lawyers, contractors, public stenographers and others carrying on an independent trade, business, or profession and offering their services to the public.

Insurance agents and solicitors may or may not be employees, depending upon the facts and circumstances.

Section 10. — WHAT IS SUBJECT TO WITHHOLDING: Note that this section should be read in conjunction with Section 11. An employer making payment of wages to employees must deduct and withhold from such wages an amount of tax as provided by the Hawaii Withholding Law.

Under section 235-61(a), HRS, wages are defined as “wages, commissions, fees, salaries, bonuses, and every and all other kinds of remuneration for, or compensation attributable to, services performed by an employee for the employee’s employer, including the cash value of all remuneration paid in any medium other than cash and the cost-of-living allowances and other payments included in gross income by section 235-7(b), but excluding income excluded from gross income by section 235-7 or other provisions of this chapter.” Wages may include wages paid to children of a sole proprietor.

The following guidelines are applicable for determining what wages are subject to withholding.

Withholding is required on:

(a) Wages for services performed **in** the State.

(b) Wages for services performed **outside** the State if:

— The services are performed by an employee whose regular place of employment for services for the employer is in the State **or**

— The wages are paid from an office in the State or a field office of an employer whose head office is in the State.

Where an employee distributes products or provides services and receives compensation consisting of the difference between the sales price to the customers for the products or services and the price the employee pays the employer, this amount constitutes “wages” and is subject to withholding. However, the amount identified for expenses, shown by a statement submitted by the employee (which may include the fair rental value of a truck owned or rented by the employee and used in performing the services), may be excluded from wages subject to withholding as provided by Section 11, paragraph (p) of this booklet.

Generally, where wages are paid in property rather than money, the employer should make necessary arrangements to ensure that the required amount of withholding tax is paid to the Department. However, certain noncash remuneration is not subject to withholding. Refer to Section 11, paragraphs (o) and (q) of this booklet.

Withholding is required from certain wages not subject to federal withholding such as wages for agricultural labor and domestic service. (But see Section 11, paragraph (m) of this booklet.)

Vacation allowances and back pay, including retroactive wage increases (but not amounts paid as liquidated damages), are subject to the withholding and taxed as ordinary wages.

Voluntary withholding agreements may also be entered into between an employee and an employer or third party, such as an insurance company, to withhold State income taxes from an employee’s sick pay. The same procedure prescribed for federal withholding may be followed. See also Section 11, paragraph (n) for voluntary agreements between certain crew members and employers.

Section 11. — WHAT IS NOT SUBJECT TO WITHHOLDING: The following is a list of payments that are not subject to withholding:

Certain remuneration paid to a nonresident employee:

(a) Wages for services performed in Hawaii by a qualifying nonresident employee if **all** the following conditions are met:

- The employee establishes that the employee is a nonresident in the manner explained in Section 13,
- The employee is performing services in the State for an aggregate of not more than 60 days during the calendar year,
- The employee is paid for the employee's services in the State from an office outside the State,
- The employee's regular place of employment (where the employee regularly performs services for the employer) is outside the State, **and**
- The employer does not reasonably expect the employee to perform services in the State an aggregate of more than 60 days during the calendar year.

However, a nonresident employee performing services for a contractor as defined in section 237-6(1), HRS, will not qualify for a withholding exemption when the contractor is performing work for a construction project located in the State.

(b) Military Spouses Residency Relief Act. Wages, salaries, tips, commissions, and other compensation received on or after January 1, 2009, by a servicemember's civilian spouse for services performed by the servicemember's spouse in Hawaii as an employee if **all** the following conditions are met:

- The servicemember (a member of the uniformed services as defined in 10 U.S.C. section 101(a)(5)) is present in Hawaii solely in compliance with military or naval orders,
- The spouse is in Hawaii solely to be with the servicemember, **and**
- The spouse and the servicemember are domiciled in the same state and that state is not Hawaii

Sec. 302 of the Veterans Benefits and Transitions Act of 2018 - Residence of spouses for servicemembers amends SCRA to allow the spouse of a servicemember to elect to use the same state of residence as the servicemember for state or local tax purposes.

See Tax Information Release No. 2010-01, RE: Military Spouses Residency Relief Act and Tax Announcement No. 2019-01, RE: Military Spouses Relief Act; Amendments to the Servicemembers Civil Relief Act enacted December 31, 2018, for more information.

(c) Wages for services performed outside the State if the employee can show in the manner explained in Section 13, that he or she is a nonresident. (See Section 10 - What is Subject to Withholding.)

Note that employers and employees who are exempt from the withholding provisions, may not be exempt from the Hawaii Income Tax Law.

The following examples illustrate when withholding is or is not required:

- Employee, a resident of Oregon, is engaged to teach in Hawaii for one summer. Though Employee is a nonresident, withholding is required on Employee's wages.
- Employee, a resident of Hawaii, is sent to the mainland for special training. Withholding is required on Employee's wages.
- Employee, a resident of Hawaii, is a promotional sales representative for a mainland manufacturer. Employee has a home in Honolulu and covers all of the islands. From time to time Employee goes to the mainland to attend sales conferences. Withholding is required on Employee's wages.
- Employee, a resident of California, is brought to the State by a firm having a contract to make a survey for a local company. The work commences in February and is not completed until June. During this time, Employee makes a trip back to the mainland for consultations. Withholding is required on wages for the period of service in the State, but is not required on the wages for the period Employee is outside the State, if there is compliance with Section 13 of this booklet.
- Employee, a resident of Washington, is hired on the mainland by a company having a construction contract for work on a Pacific island that is not part of the State of Hawaii. All of Employee's services are performed on that island. Withholding is not required on Employee's wages, if there is compliance with Section 13 of this booklet. On the other hand, withholding is required on the wages of employees who are Hawaii residents or do not make the required showing of nonresidence.
- Employee, a resident of Nevada, is hired on the mainland by a construction industry contractor to work in Hawaii on a federal contract. All of Employee's services are performed in Hawaii during a period that is less than 60 days in the aggregate for the calendar year. Withholding is required on **any** employee of a construction industry contractor engaged in contracting work in Hawaii regardless of the employee's state of residency or how long the employee is in Hawaii.

Payments for which the Department has determined that withholding would be unduly onerous or impracticable of enforcement.

- (d) **Employees' trusts and annuity plans.** Payments to or on behalf of an employee or the employee's beneficiary from or to a trust which are exempt from tax at the time of such payment, unless such payment is made to an employee of the trust as remuneration for services rendered as an employee and not as a beneficiary of the trust; or payments to or on behalf of an employee or beneficiary under or to an annuity plan (i.e., one which at the time of such payment is a plan described in section 403(a) of the Internal Revenue Code. Such payments must be included in the income tax returns of these individuals, unless they are excluded by paragraph (s) or other provisions of the law.
- (e) **Meals and lodging furnished for the employer's convenience.** The value of any meals or lodging furnished by the employer on the business premises or at the place of employment for the employer's convenience. In the case of lodging, the employee must be required to accept such lodging on the premises as a condition of the employee's employment.
- (f) **Deceased employees.** The amounts paid to the estate of a deceased employee, or to beneficiaries of a deceased employee, for death benefits, or for wages of an employee who dies before the date for payment of the wages. However, the payments (except the excludable amount of death benefits) must be included in the income tax return of the estate or beneficiary who acquires the right to receive the amounts by reason of the employee's death, unless the payments are wages includable in a taxable period of the deceased.
- (g) **Blind, deaf or totally disabled persons.** Amounts paid to a person who has been certified as blind, deaf or totally disabled on a form prescribed by the Department. The employer shall not withhold taxes beginning with the first payroll period ending, or first payment of wages made without regard to a payroll period, on or after the date when the certificate is furnished to the employer. This exemption shall continue to apply to all periods and payments thereafter unless re-examination shows that the taxpayer no longer qualifies as a person who is blind, deaf, or totally disabled. If the taxpayer no longer qualifies for the exclusion after re-examination, the existing certificate allowing for the exclusion from withholding shall be treated as follows: (1) If the date of the re-examination is after June 30 and before January 1, withholding is not required for the entire calendar year in which the re-examination occurred; (2) If the date of the re-examination is after January 1 but before July 1, withholding is required as of July 1. Although withholding is not required from the wages of a blind, deaf or totally disabled person if the above required conditions are met, the employer must furnish to the employee and the Department a Form HW-2 showing the total wages and other required information. The wages of a blind, deaf or totally disabled person also must be included in the "Total Wages" on Forms HW-14 and HW-30. The employee must include the wages in their income tax return.
- (h) **Fees of public officials.** Fees, paid by persons other than the government or a government agency, to public officials for the performance of their duties, such as those paid to notaries and sheriffs. However, the recipients must include these fees in their income tax return.
- (i) **Jurors, witnesses, certain public officials.** Per diem amounts, mileage or fees paid to jurors and witnesses, or to public officials (such as election officials) rendering a temporary and nonrecurring service or who serve not more than once a year. Such amounts are includable in the income tax return of the recipient.
- (j) **Newspaper carriers under 18.** Remuneration for services performed by an individual under the age of 18 in the delivery or distribution of newspapers or shopping news, not including delivery or distribution to any point for subsequent delivery or distribution. Though not subject to withholding, the remuneration must be included in the income tax return of the recipient.
- (k) **Sale of newspapers and magazines, certain services.** Remuneration for services performed by an individual in, and at the time of, the sale of newspapers or magazines to ultimate consumers, under an arrangement under which the individual's compensation is based on the retention of the excess of the fixed price at which the newspapers are sold over the amount at which the newspapers or magazines are charged to the individual, whether or not the individual is guaranteed a minimum amount of compensation for such service, or is entitled to be credited with the unsold newspapers or magazines turned back. Though not subject to withholding, such remuneration must be included in the income tax return of the recipient.
- (l) **Tips or gratuities.** Tips or gratuities paid directly to an employee by a customer in any medium other than cash, or cash tips of less than \$20 in any calendar month, and not accounted for to the employer. If an employee receives tips or gratuities of \$20 or more in any calendar month and is required to furnish his or her employer with a statement of tips and gratuities, then withholding is required. However, all tips and gratuities must be included in the income tax return of the recipient.
- (m) **Casual services, not in trade or business.** Cash remuneration for services not in the course of the employer's trade or business, including domestic services, performed in any calendar quarter by an employee for an employer. Though not subject to withholding, such remuneration must be included in the income tax return of the recipient.

However, the remuneration is subject to withholding if:

- 1) the cash remuneration paid for the service is \$50 or more per calendar quarter, and
- 2) the service is performed by an individual who is regularly employed by the employer to perform the service.

For purposes of this exemption, an individual shall be deemed to be regularly employed by an employer during the calendar quarter only if:

- 1) on each of some 24 days during the quarter, such individual performs for such employer, for some portion of the day, service not in the course of the employer's trade or business, or
- 2) the individual was regularly employed (as determined under clause (1) of this paragraph) by the employer in the performance of services during the preceding calendar quarter.

- (n) **Certain crew members.** Remuneration for services performed as an officer or member of the crew aboard a vessel engaged in foreign, interstate, intercoastal, coastwise or noncontiguous trade and remuneration for services performed as an officer or member of the crew of an airplane traveling between points in the State and points outside the State. However, taxes may be withheld from the wages of an officer or crew member of a vessel, in the coastwise trade between ports in the State if the withholding is pursuant to a voluntary agreement between the officer or crew member and the employer. Though not subject to withholding, officers and crew members who are residents of the State must include their entire wages in their income tax returns. Nonresidents must include their wages for services performed in the State in their income tax returns. See Tax Information Release No. 2007-03, RE: Imposition of Hawaii State Income Tax on Income Earned by Nonresident Merchant Seamen and Withholding Obligations of Employers of Nonresident Merchant Seamen, for more information.
- (o) **Noncash remuneration, not in trade or business.** Remuneration for services not in the course of the employer's trade or business, including domestic services, to the extent paid in any medium other than cash. Unless covered by paragraph (e), the fair market value of remuneration must be shown on Form HW-2 as a separate item, or on separate information return, federal Form 1099-NEC, and such value must be included in the income tax return of the recipient.
- (p) **Expense allowances, etc.** Amounts paid specifically, either as advances or reimbursements, for traveling or other bona fide ordinary and necessary expenses incurred or reasonably expected to be incurred in the business of the employer. The traveling and other reimbursed expenses, in order to be excluded from withholding, must be identified either by making a separate payment or by specifically indicating the separate amounts where ordinary wages and expense allowances are combined in a single payment. However, the employer is required to show the amount of such advances or reimbursements on Form HW-2 as a separate item, unless the employer requires an accounting by the employee showing that the amount does not exceed the ordinary and necessary expenses incurred in the business of the employer.
- (q) **Noncash remuneration, retail salesperson.** Noncash remuneration for services performed by a retail salesperson, where the services are ordinarily performed for commissions in cash. However, the employer is required to show this remuneration on Form HW-2 as a separate item. The recipient must include commission income on their income tax return.
- (r) **Remuneration for services performed as an employee by a duly ordained, commissioned, or licensed minister of a church in the exercise of the employee's ministry or by a member of a religious order in the exercise of duties required by the order.** Although not subject to withholding, remuneration subject to this paragraph shall be reported on the income tax return as income of the recipient. For purposes of this exemption, the term religious order is defined in federal Revenue Procedure 91-20, 1991-1 CB 524.

Remuneration excluded from gross income, including:

- (s) **Retirement system benefits.** Rights, benefits and other income under the State retirement system, exempted by section 88-91, HRS, and comparable rights, benefits and other income under any other public retirement system.
- (t) **Pensions.** Compensation received in the form of a pension for past services.
- (u) **Social Security and tier 1 railroad retirement benefits.**
- (v) **Persons affected with leprosy.** Compensation paid to a patient affected with Hansen's Disease employed by the State in any hospital, settlement, or place for the treatment of Hansen's Disease.
- (w) **Income not subject to taxation by the State under the Constitution and laws of the United States.**
- (x) **Except as otherwise expressly provided, payments made by the United States or this State, under an Act of Congress or a law of this State, which by express provisions or administrative regulation or interpretation**

are exempt from both the normal and surtaxes of the United States, even though not so exempted by the Internal Revenue Code itself.

- Any person who claims that payments not listed above are excluded by other statutory provision(s) should present the facts to the Department and request a ruling. The request for ruling should be addressed to:

Department of Taxation
Technical Section
P. O. Box 259
Honolulu, Hawaii 96809-0259

Compensation which is not subject to withholding, but includable in gross income, must be reported on Form HW-2.

Section 12. — EMPLOYEE’S WITHHOLDING ALLOWANCE AND STATUS CERTIFICATE, FORM HW-4:

Employee Must Furnish You With a Form HW-4 —

Before the employee starts work, the employee must give a completed Form HW-4 to the employer. Form HW-4 shows the employee’s withholding allowances. Withholding allowances are based on the employee’s personal exemption(s) and (standard or itemized) deductions. An employee may claim fewer, but not more, withholding allowances than the employee is entitled to claim. Form HW-4 must show whether the employee is married and entitled to file a joint Hawaii income tax return. An employee is not considered married if the employee is legally separated from their spouse under a decree of divorce or separate maintenance, or meets the requirements of Internal Revenue Code section 7703(b) relating to “Certain Married Individuals Living Apart.” If you believe that an employee has claimed excessive allowances for their situation (generally more than 10) or has misstated their marital status, you should send a copy of the Form HW-4 for that employee to the Tax Assessor in the district tax office where you file your withholding tax returns. See Tax Information Release No. 95-4 for more information.

If an employee does not furnish you with a Form HW-4, you are required to withhold tax as if the employee was single and had claimed no withholding allowance.

You may use commercially printed forms substantially the same as Form HW-4. You may **not** use federal Form W-4.

How Many Withholding Allowances May an Employee Claim?

An employee is entitled to the following withholding allowances:

- (a) An allowance if no one can claim the employee as a dependent.
- (b) An allowance if the employee is single and has only one job or, if married, has only one job and the employee’s spouse does not work.
- (c) An allowance for the employee’s spouse if no one can claim the spouse as a dependent and the spouse is not claiming a withholding allowance on Form HW-4.
- (d) An allowance for age if the employee is at least 65 years old and no one else can claim the employee as a dependent. The employee may also claim an additional allowance if the spouse is at least 65 years old, no one can claim the spouse as a dependent, and the spouse is not claiming an allowance for himself or herself on Form HW-4.
- (e) An allowance for each dependent for which the taxpayer may claim an exemption on the federal income tax return.
- (f) An additional allowance if the employee has at least \$250 of estimated tax credits.
- (g) Additional allowances for estimated itemized deductions as determined on the Deductions Worksheet provided with Form HW-4.
- (h) An additional allowance if the employee is filing as head of household for that taxable year.

When Is a New Form HW-4 Recommended or Required?

Instruct each employee that the employee may be required to furnish you with a new certificate (Form HW-4) if there is a change in marital status or number of withholding allowances. The allowances claimed must not exceed the number of allowances to which the employee is entitled.

The employee **should** furnish you with a new certificate at the earliest possible date if there is a change in the employee’s marital status and the employee is now entitled to file a joint Hawaii income tax return or if the number of allowances the employee is entitled to claim is greater than the number of allowances claimed by the employee on the certificate in effect.

The employee **must** furnish you with a new certificate **within 10 days** if there is a change in the employee’s marital status and the employee is no longer entitled to file a joint Hawaii income tax return or if the number of allowances the employee is entitled to claim is less than the number of allowances claimed by the employee on the certificate in effect. Situations in which the employee must file a new certificate within 10 days include:

- (a) When the employee becomes divorced or legally separated.

- (b) When the spouse, for whom the employee has claimed an allowance, claims an allowance on a separate certificate.
- (c) When the employee finds that a dependent for whom an allowance was claimed no longer qualifies as a dependent.
- (d) When the employee no longer qualifies for a Hawaii income tax exemption as a nonresident spouse of a servicemember. See Tax Information Release No. 2010-01.

The employee **must** furnish you with a new certificate **on or before December 1** of the year in which the change occurs when the amount of tax to be withheld is not affected until the next calendar year. If the change occurs in December, a new certificate must be furnished to you **within 10 days** of the change. Situations in which the employee must file a new certificate by December 1 (or within 10 days of a change in December) include:

- (a) When the employee's spouse has died.
- (b) When the employee's dependent has died.

When Does a Form HW-4 Take Effect?

The certificate furnished by the employee is effective as of the first payroll period ending on or after the date on which such certificate is furnished. If the wages are paid without regard to a payroll period, the certificate is effective as of the first payment of wages on or after the date on which it is furnished. The certificate remains in effect until the employee furnishes you with a new certificate. Refer to Section 12, under "When is a New Form HW-4 Recommended or Required?"

Note that, by rule, nonresident employees of contractors performing work for a construction project in Hawaii do not qualify for an income tax withholding exemption.

When a certificate is furnished to replace an existing certificate, it is effective as of the first payment of wages made on or after the 30th day after the date on which the new certificate is furnished. You may elect to make the certificate effective beginning with any payment of wages made on or after the date on which the certificate is furnished.

For example, if a new certificate is furnished on April 29 or April 30 and the payroll is monthly, payment of wages being made on the last day of the month, such certificate is effective as of May 31, but the employer may, at his election, make it effective as of April 30.

In certain cases, a new certificate does not take effect until the next calendar year. Examples include the: death of a spouse (unless an additional allowance on account of age has been claimed for the spouse and the age of 65 was not attained prior to death) and death of a dependent.

Section 13. — EMPLOYEE'S STATEMENT TO EMPLOYER CONCERNING NONRESIDENCE IN THE STATE OF HAWAII, FORM HW-6: Under Hawaii law, a nonresident is defined as "every individual other than a resident." A resident is defined as "(1) every individual domiciled in the State, and (2) every other individual whether domiciled in the State or not, who resides in the State. To 'reside' in the State means to be in the State for other than a temporary or transitory purpose. Every individual who is in the State more than two hundred days of the taxable year in the aggregate shall be presumed to be a resident of the State. This presumption may be overcome by evidence satisfactory to the Department that the individual maintains a permanent place of abode outside of the State and is in the State for a temporary or transitory purpose. No person shall be deemed to have gained or lost a residence simply because of the person's presence or absence in compliance with military or naval orders of the United States, or while engaged in aviation or navigation, or while a student at any institution of learning."

In order for an employee to establish that he or she is not a resident, the employee must furnish you with a statement in the form prescribed by the Department (Form HW-6), signed by the employee under the penalties set forth in section 231-36, HRS. If withholding is not required on an employee's wages for services performed in the State, you must file Form HW-7, Exemption From Withholding on Nonresident Employee's Wages, along with the original Form HW-6 with the Department. Keep a copy of your employee's Form HW-6 for your records. If withholding is not required on an employee's wages for services performed outside the State, you do not have to file Form HW-7 with the Department. Keep your employee's Form HW-6 for your records.

If an employee files a Form HW-6 with you, treat the form as effective (employee as having shown that he or she is a nonresident) as of the first payroll period ending (or first payment of wages made without regard to a payroll period), (1) on or after the date that you file Form HW-7 and Form HW-6 with the Department, if withholding is not required on an employee's wages for services performed in the State, or (2) on or after the date that an employee files a Form HW-6 with you, if withholding is not required on an employee's wages for services performed outside the State.

You should no longer treat Form HW-6 as effective if you are notified by the Department that the employee's residence status is being investigated. A copy of this notice will be sent by the Department to the employee. Both you and the employee will be notified of the Department's decision. If the Department notifies you after the investigation that the employee is a nonresident, you should thereafter treat the Form HW-6 as effective.

A notice to you from the Department should be effective as of the first payment of wages made on or after the first day of the calendar month which commences at least 30 days after you receive the notice. At your option, notice may be made effective at an earlier date.

An employee who, having furnished Form HW-6, thereafter becomes a resident of the State, must notify you within 10 days, that the employee has become a resident of the State. You must inform the Department of the change, and cease to give effect to the employee's previous Form HW-6 commencing with the first payment of wages made on or after the first day of the calendar month which commences at least 30 days after the notice is given. At your option, the change in residency status may go into effect at any earlier time if you notify the employee of the change.

Section 14. — PAYROLL PERIOD: The following paragraphs discuss payroll periods and how to compute withholding for these payroll periods.

- (a) A "payroll period" is the period of service for which you ordinarily make a payment of wages to an employee. A "miscellaneous payroll period" is a payroll period other than a daily, weekly, biweekly (or other multiple of a week), semimonthly, monthly, quarterly, semiannual, or annual payroll period.
- (b) If the employee has a daily payroll period, withholding is based on the daily wage. Use the "Daily Payroll Period" table or the "Daily or Miscellaneous Payroll Period" formula method in Part 2 of the Appendix. In some cases the weekly basis may be used, as discussed in paragraph (d) of this section.
- (c) If the employee has a miscellaneous payroll period, or has no payroll period, unless paragraph (d) of this section applies, you must use the following method to figure withholding:

Determine the number of days (including Sundays and holidays) in the period covered by the wage payment. If the wages are unrelated to a specific length of time (for example, commissions paid on completion of a sale), then count the number of days from the date of payment back to the latest of these three events: (1) the last payment of wages made during the same calendar year, (2) the date employment commenced if during the same calendar year, or (3) January 1 of the same calendar year. After the number of days is determined, divide the wages by the number of days to determine the average wage per day. Compute the withholding on the average wage per day, using the "Daily Payroll Period" table, or the "Daily or Miscellaneous Payroll Period" formula method in Part 2 the Appendix.

- (d) In cases where an employee is paid for a period of less than one week and signs a statement (under penalties set forth in section 231-36, HRS) that the employee does not work for wages subject to withholding for any other employer during the same calendar week, then the employer is permitted to compute the withholding on the basis of a weekly instead of a daily or miscellaneous payroll period. If the employee later begins work for wages subject to withholding for another employer, the employee must, within 10 days, notify the employer to whom the employee gave the written statement and, thereafter, the employer must compute the withholding based upon the "Daily or Miscellaneous Payroll Period" table.
- (e) If supplemental wages, such as bonuses, commissions, or overtime pay, are paid at the same time as regular wages, the amount of tax to be withheld shall be determined as if the aggregate of the supplemental and regular wages were a single wage payment for the regular payroll period. If supplemental wages are paid at a different time, the employer may determine the amount of tax to be withheld by aggregating the supplemental wages either with the regular wages for the current payroll period or with the regular wages for the last preceding payroll period within the same calendar year. If supplemental wages are paid to an employee during a calendar year for a period which involves two or more consecutive payroll periods for which other wages also are paid during the same calendar year, at the election of the employer, the amount of tax to be withheld on the supplemental wages must be computed as follows:
 - 1) Determine the average wage for each of the payroll periods by dividing the sum of the supplemental wages and other wages paid for the payroll periods by the number of payroll periods.
 - 2) Determine the withholding for each payroll period as if the amount of the average wage constituted the wages paid for such payroll period.
 - 3) From the sum of the taxes computed on the basis of the average wage per payroll period, subtract the sum of the taxes previously withheld or to be withheld from the wages, other than supplemental wages, for the payroll periods. The remainder, if any, is the amount of tax to be withheld from the supplemental wages.

Section 15. — FIGURING WITHHOLDING: You should figure withholding on the basis of the employee's Form HW-4 in effect (see Section 12), the payroll period (see Section 14) and the appropriate withholding tax table or formula method in the Appendix.

The withholding tax tables are contained in Part 3 of the Appendix, while the formula method is explained in Parts 1 and 2 of the Appendix. Whether you use the tax tables or the formula method, you should arrive at substantially the same

amount of tax to be withheld. If an employee claims more than 10 allowances, however, the formula method will provide a more accurate determination of the amount to withhold than the amount obtained from the tax tables.

If you use the tax tables, be sure to select the correct table according to the employee's marital status as indicated on Form HW-4, block 3. Next, determine the amount of tax to be withheld by reading down a column of wage brackets, and then across to the column headed by the number of withholding allowances claimed by the employee on their Form HW-4.

If you choose to use the formula method, you may use the annualized method described in Part 1 of the Appendix or the alternative method described in Part 2 of the Appendix. The annualized method allows you to determine the tax to be withheld on the basis of annualized wages. Employers with more than one payroll period may find the annualized method to be helpful for conserving computer memory capacity, since only the annual rates, wage brackets, and allowances need to be stored.

The following rules apply whether you use Part 1, 2, or 3 of the Appendix to determine the tax to be withheld:

- (a) You are not required to withhold tax of less than ten cents from a single wage payment.
- (b) You must treat an employee who qualifies as a "Head of Household" as "Single" for withholding tax purposes.
- (c) If you and the employee agree in writing to withhold an amount more than, but not less than, the amount required by law, the additional amount of withholding is required by law to be deducted and withheld.
- (d) If the payroll period is a multiple of one week other than biweekly, compute the required withholding for the average wage for one week (or for a biweekly period) and multiply by the number of weeks (or biweekly periods) in the payroll period. If the payroll period is a quarterly, semiannual or annual period, compute the required withholding for the average wage for one month and multiply by the number of months in the payroll period.

Section 16. — FILING THE WITHHOLDING TAX RETURN, FORM HW-14:

What to Report —

The "Total Wages Paid" figure should include all wages paid during the period which are subject to withholding, and wages paid to blind, deaf, or totally disabled persons even though excludable from withholding. Refer to Section 11, paragraph (g). The "Total Taxes Withheld" figure should represent the amount of tax withheld from the wages paid during the period.

If no wages were paid and no tax withheld, or if you temporarily cease to pay wages, as in the case of a seasonal business, you must continue to file Form HW-14. Enter "0.00" in the blocks requiring figures for the "Total Wages Paid," "Total Taxes Withheld" and the "Amount of Payment."

If you go out of business, or permanently cease to pay wages, and if Form HW-14 is your final return and you are cancelling your withholding account, you should fill in the oval stating this is your FINAL return and you are cancelling this withholding account as of XX XX XXXX (date). You may also complete Form GEW-TA-RV-1 to cancel the withholding account. Refer to Section 5, paragraph (i) for other instructions.

When to File —

Refer to Sections 2 and 3 on when you must file Form HW-14 and pay over the taxes withheld to the Department.

If you have been permitted to make payments on a quarterly basis, and become delinquent in making payments, the Department may at anytime revoke the permission to make payments on a quarterly basis. Instead, you may be required to make payments by the 15th day of the calendar month after the close of the month in which the liability arose and for which the taxes have been withheld, and for each month thereafter.

If you have been permitted to make payments on a quarterly basis, but by a change of circumstances the liability to pay over the taxes withheld exceeds \$5,000 per year, you must make payments on a monthly basis.

Upon application by an employer, the Director may, if good cause is shown, extend the time for making payment and filing Form HW-14 (note, this does not apply to those making semiweekly payments). The extension may not be more than 60 days. Application for the extension must be filed at least 10 days before the regular due date. The extension may be requested by submitting a letter stating the reason for the request. The letter also must include the taxpayer's name, Hawaii Withholding Tax ID Number and taxpayer's signature or that of an authorized individual. A letter will be mailed to notify of the Department's decision to permit or reject the extension request.

Where to File —

You must file Form HW-14 quarterly. You must pay over the taxes withheld to the Department either monthly, quarterly or semi-weekly with Form VP-1. Refer to Sections 3 and 4 for more information.

How to File —

Check your return to make sure it is correct. Sign and date your return. Attach your check or money order for full payment of the taxes withheld. The check or money order must be payable in U.S. dollars drawn on any U.S. bank and made payable to the “Hawaii State Tax Collector.” Write “WH,” the filing period, and your Hawaii Tax I.D. No. on your check or money order. **DO NOT SEND CASH.**

Electronic Filing (e-file) —

Periodic withholding tax returns (Form HW-14), including amended returns, may be electronically filed (e-filed) and payments can be made through the State’s Internet portal. For more information, go to **hitax.hawaii.gov**.

NOTE: Effective for taxable periods beginning on or after January 1, 2020, the Department requires certain taxpayers, including employers whose withholding tax liability exceeds \$40,000 annually, to file Forms HW-14 and HW-2s electronically at **hitax.hawaii.gov** unless a waiver is obtained by filing Form L-110. **IMPORTANT!** A penalty of 2% of the total tax will be assessed if a taxpayer who is required to file electronically fails to do so.

Bulk Filing —

The Department allows the bulk filing of Form HW-14. For more information on bulk filing, go to the Department’s Internet Bulk Filing website at **tax.hawaii.gov/eservices/bulk/**.

Amending the Withholding Tax Return —

If you file your Form HW-14 and later become aware of any changes you must make, you may file an **amended return** to change the Form HW-14 you already filed. Make sure to mark the “Amended return” box on the return.

For taxable years beginning on or after January 1, 2020, Form HW-3 will be obsolete and replaced with Form HW-30, Employer’s Annual Transmittal of Hawaii Income Tax Withheld from Wages. An annual withholding tax transmittal (Form HW-30) must be filed once a year and used as a transmittal form for Copy 1 of Forms HW-2 and federal Form W-2. If you have any changes to the amount of withholding payments made and reported, you **MUST** amend the affected period by using Form HW-14.

Section 17. — EMPLOYER’S ANNUAL TRANSMITTAL OF HAWAII INCOME TAX WITHHELD FROM WAGES, FORM HW-30:

What to Report —

The “Total Wages” figure reported on Form HW-30, line 2, should include COLA (Cost of Living Allowance), sick pay, and wages paid to a blind, deaf, or totally disabled person. The “Total Wages” figure on Form HW-30 should equal the sum of the “Total Wages” reported on the attached copies of Form HW-2, Statement of Hawaii Income Tax Withheld and Wages Paid. It will not necessarily equal the sum of the “Total Wages Paid” per the Form HW-14 quarterly withholding tax returns filed for the same calendar year.

When to File —

Form HW-30 and Copy A of Form HW-2, issued for the preceding calendar year, must be filed by January 31 following the close of the calendar year.

If you go out of business or permanently cease to pay wages, you must file Form HW-30 with accompanying Forms HW-2 at the same time you file the final Form HW-14.

Complete Form GEW-TA-RV-1 to cancel the withholding account.

Upon application by an employer, the Director may grant an extension of time (not more than 60 days) for the filing of Form HW-30 with accompanying Forms HW-2. Except in a case of termination of business or the like, application for the extension must be filed on or before January 31. The extension may be requested by submitting a letter stating the reason for the request. The letter also must include the taxpayer’s name, Hawaii Withholding Tax ID Number and taxpayer’s signature or that of an authorized individual. A letter will be mailed to notify of the Department’s decision to permit or reject the extension request.

Where to File HW-30 —

Annual withholding tax transmittal (Form HW-30) is a transmittal for paper filing of W-2. Paper file Form HW-30 and Copy A of Forms HW-2 with the Department. Refer to Section 4 for the mailing address.

How to File —

Check Form HW-30 to make sure your name, Hawaii Tax I.D. No., and all figures are correct. Sign and date Form HW-30. Attach Copy A of Forms HW-2 issued for the calendar year.

If an employer's total payroll covers a number of separate units or establishments, the Forms HW-2 may be assembled accordingly.

Electronic Filing (e-file) HW-2 or W-2—

To transmit electronic HW-2 or W-2, please upload via Hawaii Tax Online, Simple File Import or Bulk File. For more information, go to tax.hawaii.gov/eservices/.

Bulk Filing —

The State of Hawaii Department of Taxation (DOTAX) Hawaii's Bulk Filing System (HBFS) enables approved transmitters and reporting agents the ability to electronically transmit multiple returns via SFTP in a single ZIP file. For more information, go to tax.hawaii.gov/eservices/bulk/.

Section 18. — STATEMENT OF HAWAII INCOME TAX WITHHELD AND WAGES PAID, FORM HW-2:

To Whom You Must Furnish a Form HW-2 —

You must furnish Copies B and C of Form HW-2 to every employee (a) upon whose wages deduction and withholding is required, (b) whose wages are not subject to withholding because of his or her blindness, deafness or total disability, and (c) to whom wages subject to withholding (or payments under wage continuation plans) have been paid in any period during the calendar year (or time of employment).

What to Report —

Each Form HW-2 must show the employee's name, address, and social security number, if any, the employer's name, address and Hawaii Tax I.D. No., the period covered by the statement, the total amount of wages paid to the employee during the period, the amount of income tax deducted and withheld, if any, and such other information as the Director may require. Compensation includable in gross income, but not subject to withholding, must be reported on Form HW-2.

You may use commercially printed forms or the federal Form W-2, provided that all the required information outlined above is included on the form. The Department will not accept Form W-2 if the employer's Hawaii Tax I.D. No. is not clearly shown.

The "Total Wages" figure should include COLA (Cost of Living Allowance), wages paid to a blind, deaf, or totally disabled person, and employer payments of sick pay. If a third-party payor of sick pay has notified you of the amount of sick pay the employee must include in income, report this amount in the "Total Wages" figure. You must either include this amount in income along with the employee's wages, tips and other compensation, or you may furnish the employee with a separate Form HW-2 for this amount. If you decide to issue a separate Form HW-2, you must indicate on the form that the amount is for third-party sick pay. If the third-party payor notifies you of these payments after you have filed your Form HW-30, you MUST amend the affected period by using Form HW-14. If the employer and the third-party payor of sick pay have entered into a valid agency agreement, the third-party payor may issue the Form HW-2 (and file the Form HW-30) in the payor's name. The same procedures prescribed for federal reporting may be followed.

If you are required to furnish an employee with a Form HW-2 see "To Whom You Must Furnish a Form HW-2" above and the employee received noncash remuneration or advances or reimbursements for expenses, the amount must be separately stated on Form HW-2. Refer to Section 11, paragraphs (o), (p), and (q).

Correcting or Reissuing a Form HW-2 —

If it becomes necessary to correct a Form HW-2 after it has been given to an employee, a corrected statement must be issued to the employee. Corrected statements should be clearly marked "Corrected by Employer." If a withholding statement is lost or destroyed, a substitute copy clearly marked "Reissued by Employer" should be furnished to the employee. If you are only correcting the employee's name or social security number, you do not need to issue a corrected statement. Advise the employee to make the correction on the original HW-2. Note, however, that if the employee was given a new social security card because of an adjustment to their alien residence status, and that card shows a different name or social security number than those on a Form HW-2, file a corrected statement to correct the name and/or social security number.

If you make corrections to a Form HW-2 before you file Form HW-30, you should submit the corrected Form HW-2 with Form HW-30. If you make corrections to a Form HW-2 after you file Form HW-30, you should submit the corrected Form HW-2 with an amended Form HW-14 for the affected period. Refer to Section 17.

When to Furnish and File a Form HW-2 —

You must furnish Copies B and C of Form HW-2 and any corrected statements to employees by January 31 of the following calendar year. However, if an employee stops working for you before the end of a calendar year and is not expected to return to work within that calendar year, the statement must be furnished to the employee within 30 days after the date you receive a written request from the employee if the 30-day period ends before January 31.

Upon application by an employer, the Director may grant an extension of time (not more than 60 days) to furnish the withholding statements. Except in a case of termination of employment, application for the extension must be filed on or before January 31.

You must file Form HW-30 and Copy A of Forms HW-2, issued for the preceding calendar year, by January 31 following the close of the calendar year. See Section 17 under "When to File."

Section 19. — RECORDKEEPING REQUIREMENTS: Every employer, who becomes subject to the Hawaii withholding provisions, is required to keep full, complete, regular, and accurate records pertaining to withholding taxes available for inspection by the Department. The records should include but not be limited to:

- (a) Each employee's name, current address and social security number.
- (b) Form HW-4 and Form HW-6 and any attachments, if any, filed by the employee.
- (c) The agreement, if any, between the employer and the employee for withholding additional amounts of tax.
- (d) For each payment of remuneration: the date; the amount (including any sum withheld for any reason); the period of services covered by such payment; the amount of the remuneration which constitute wages subject to withholding; the amount of tax collected with respect to the remuneration, and if collected at a time other than the time such payment was made, the date the tax was collected.
- (e) The fair market value and date of each payment of non-cash remuneration made to an employee for services performed as a retail commission salesperson, in which no income tax is withheld.
- (f) Copies of any statements furnished by the employee, where tips are received by an employee in the course of the employee's occupation, unless the information disclosed by the statements is recorded on another document retained by the employer.
- (g) Records of all remuneration paid to, including tips reported by, employees.
- (h) Copies of withholding tax returns filed.

You should keep all documents and evidence relating to the withholding until the statute of limitations expires. Usually this is three years from the date the tax return was due or was filed, or two years from the date the tax was paid, whichever is later.

Section 20. — EMPLOYERS ARE LIABLE FOR WITHHELD TAXES: All taxes withheld by an employer under the withholding law must be held in trust by the employer for the State and for payment to the Department in the manner and at the time required by law. If an employer fails, neglects, or refuses to deduct and withhold from the wages paid to an employee or to pay over the amount of tax required, the employer will be liable to pay the amount of tax to the State. An employer may recover from an employee any amount which the employer should have withheld but did not withhold from the employee's wages, if the employer has been required to pay and has paid the amount to the Department out of the employer's own funds.

In addition to the liability described above, if any employer fails, neglects, or refuses to deduct and withhold from the wages paid to any employee or to pay over the amount of tax required, any person, excluding those who have only ministerial duties, who is under a duty to deduct and withhold or pay over the amount of tax required and who willfully fails to perform such duty, will be liable to the State for the amount of tax. The voluntary or involuntary dissolution of the employer or the withdrawal and surrender of its right to engage in business within the State will not discharge the liability imposed.

Section 21. — EMPLOYERS ARE SUBJECT TO CIVIL PENALTIES (ADDITIONS TO TAXES) FOR NONCOMPLIANCE WITH THE LAW: There will be added to the amount of the tax required to be paid to the State:

- (a) For failure to file a tax return on time, unless you have been granted an extension of time for filing, and unless you show that the failure to file is due to reasonable cause and not due to neglect, 5% of the tax for the first month, with an additional 5% for each additional month or part of a month, not exceeding 25% in the aggregate.
- (b) For failure to pay the tax, if any part of any underpayment is due to negligence or intentional disregard of rules but without intent to defraud, up to 25% of the underpayment as determined by the Director.
- (c) For failure to pay the tax, if any part of any underpayment is due to fraud, up to 50% of the underpayment as determined by the Director.
- (d) For failure to pay the tax after filing a tax return on time, if the tax is not completely paid within 60 days of the due date, up to 20% of the underpayment as determined by the Director.
- (e) For failure to file electronically for taxpayers who are required to file electronically a 2% penalty of the total tax will be assessed.
- (f) For failure to pay by EFT for taxpayers who are required to pay by EFT a 2% penalty of the tax due will be assessed.

(g) For W-2 or HW-2: A penalty of \$25 per failure; provided the penalty shall not exceed \$50 per employee for the following failures:

- 1) Willfully fails to furnish the statement to the employee by the prescribed due date;
- 2) Fails to file the statement with the department by the prescribed due date; or
- 3) Fails to electronically file the statement with the department if the employer is required to file electronically under section 231-8.5 HRS.

On both the tax and the additions to tax described above, you must pay interest at the rate of 2/3 of 1% for each month or part of a month beginning with the first calendar day following the due date for filing the return, or paying the tax, until paid.

Section 22. — CRIMINAL PENALTIES: The following is a list of criminal penalties that you and your employees may be subject to if you violate the withholding requirements:

- (a) Any person who willfully attempts to evade or defeat any tax, or its payment, shall be guilty of a class C felony and subject to a fine of not more than \$100,000 (or up to \$500,000 for a corporation), imprisonment for not more than five years, probation, or a combination of the foregoing.
- (b) Any person required to make a return, make a report, keep any records, supply any information, or secure any license required under title 14, HRS, who willfully fails to make the return, make the report, keep the records, supply the information, or secure the license, shall be guilty of a misdemeanor and subject to a fine of not more than \$25,000 (or up to \$100,000 for a corporation), imprisonment of not more than one year, probation, or a combination of the foregoing.
- (c) Any person who willfully makes and subscribes any return, statement, or other document required to be made under title 14, HRS, that is verified by a written declaration that it is true and correct as to every material matter, and which the person does not believe to be true and correct as to every material matter, shall be guilty of a class C felony and subject to a fine of not more than \$100,000 (or up to \$500,000 for a corporation), imprisonment of not more than three years, probation, or a combination of the foregoing.
- (d) Any person who willfully aids, assists in, or procures, counsels, or advises the preparation or presentation of any tax return, affidavit, claim, or other document required to be made under title 14, which is fraudulent or false as to any material matter, regardless of whether the falsity or fraud is with the knowledge or consent of the person authorized or required to present the return, affidavit, claim, or document shall be guilty of a class C felony and subject to a fine of not more than \$100,000 (or up to \$500,000 for a corporation), imprisonment of not more than three years, probation, or a combination of the foregoing.
- (e) Any person required to collect, account for, and pay over any tax, who willfully fails to collect or truthfully account for and pay over such tax, shall be guilty of a class C felony and fine of not more than \$100,000 (or up to \$500,000 for a corporation), imprisonment of not more than five years, probation, or a combination of the foregoing.

PART 1

ANNUALIZED INCOME TAX WITHHOLDING

Annualized Income Tax Withholding: You may determine the tax to be withheld on the basis of annualized wages (using the tax computation method for annual payroll periods), then prorate the tax on the basis of the payroll period actually used. Employers with more than one payroll period (for instance, part-timers paid weekly; full-timers paid semi-monthly) may find this method helpful for conserving computer memory capacity. Only the annual rates below, wage brackets and allowance values need to be stored.

Example: An employee who is single and has only one job, is paid \$375 a week. He claims three withholding allowances (one personal exemption, an allowance since he is single and has only one job, and an allowance for his estimated itemized deductions) on the Employee's Withholding Allowance and Status Certificate (Form HW-4) on file with you.

1. Multiply weekly wage of \$375 x 52 weeks to determine annual wage \$ 19,500.00
2. Subtract withholding allowances (\$1,144 x 3)..... 3,432.00
3. Amount subject to withholding (line 1 minus line 2) \$ 16,068.00
4. Compute withholding tax on \$16,068 using the WITHHOLDING TAX RATES below for a single person, annual payroll period:
 Tax on first \$14,400..... \$ 682.00
 Tax on remaining \$1,668 at 6.8% 113.42
 Annual withholding tax..... \$ 795.42
5. Compute Weekly withholding tax (\$795.42 /52 weeks)..... \$ 15.30

PART 2

ALTERNATIVE METHOD OF COMPUTING TAX TO BE WITHHELD, UNLESS THE ANNUALIZED METHOD OR WITHHOLDING TABLES ARE USED.

WEEKLY PAYROLL PERIOD

If the period is weekly, proceed as follows:

- Step 1. Deduct from the total wage for the period an amount for the withholding allowance equal to the number of allowances claimed times \$22.00.
- a. If employee claims no allowance (zero), no deduction is made. The total wage is used in computing the amount of tax to be withheld.
 - b. If employee claims one allowance, deduct \$22.00; if two, deduct \$44.00; if three, deduct \$66.00; and so forth.
(If balance is negative, employee's wage is fully exempt).
- Step 2. Use the amount of wages arrived at in Step 1 to apply the rates shown in A & B below. If employee is single — unmarried head of household, A applies; if employee is married, B applies.

A. SINGLE PERSONS — INCLUDING UNMARRIED HEADS OF HOUSEHOLD

If the amount of wages

(after subtracting withholding allowances) is:

The amount of income tax to be withheld shall be:

 - b. If employee claims one allowance, deduct \$44.00; if two, deduct \$88.00; if three, deduct \$132.00; and so forth. (If balance is negative, employee's wage is fully exempt).
