### General Information

Please refer to specific filing requirements and filing due dates each year. Due dates can be found on page 7 of this guide or you may visit the Department's website at <a href="mailto:dor.mo.gov/tax-calendar/">dor.mo.gov/tax-calendar/</a>.

To ensure your tax records are protected and confidential, the Missouri Department of Revenue will not release tax information to anyone who is not listed in our records as an owner, partner, member, or officer for your business. If your partners, members, or officers change, you must update your registration with the Department by completing a Registration Change Request (Form 126) before tax information can be released to those new partners, members, or officers. Visit dor.mo.gov/forms/126.pdf to obtain Form 126. If you would like the Department to release tax information to an accountant, tax preparer, or another individual who is not listed on your account, please complete a Power of Attorney (Form 2827) which can be found at dor.mo.gov/forms/2827.pdf.

### Filing and Payment Options

The Department is no longer printing and mailing pre-printed voucher booklets. Employers may file and pay Employer's Return of Income Taxes Withheld (Form MO-941) online using a Credit Card or E-Check (Electronic Bank Draft) through their MyTax Missouri Portal account or by paper using Form MO-941 located on the Department's website.

<u>Note:</u> You must have a valid Missouri Tax I.D. and PIN Number to file and pay using this system, and must know the Filing Period for which you are filing. See description of payment methods and fees below.

<u>Electronic Bank Draft (E-Check)</u> By entering your bank routing number, checking account number, and your next check number, you can pay online. There will be a minimal handling fee per filing period or transaction to use this service.

<u>Credit Card</u> This filing and payment system accepts MasterCard, Discover, Visa, and American Express. A convenience fee will be charged for credit or debit card transactions.

<u>Note:</u> The handling and convenience fees included in these transactions are being paid to the third party vendor, NCR, not to the Department. By accessing this filing and payment system, the user will be leaving Missouri's website and connecting to the website of NCR, which is a secure and confidential website.

To file and pay online, please visit:

TXP Bank Project (TXP) TXP offers another option for filing your tax payments. It allows you to provide payment and report information to your bank. The bank, in turn, converts the information into a CCD+ format that allows it to transfer your return information along with your authorized ACH credit to the Department. The option is available to any Missouri taxpayer filing a Form MO-941.

If you are remitting Quarter-Monthly withholding payments through ACH Credit, be sure your bank uses code 0115P when submitting the payment.

If you are a Quarter-Monthly payer, you must file your return by another source to reconcile your filings. This can be done by filing a return online at <a href="mailto:mytax.mo.gov/rptp/portal/home/fileandpaybusi-nesstaxesonline">mytax.mo.gov/rptp/portal/home/fileandpaybusi-nesstaxesonline</a>. Select "File My 941 Quarter-Monthly Payments Reconciliation".

Why should you use an alternative filing method? By utilizing e-check, credit card, or TXP Bank Project for filing your withholding tax return, you eliminate the possibility of postal delays and possible late filing or payment fees and the cost and time to generate, sign, and mail returns and checks. The Department saves processing and data entry costs associated with paper filings.

To learn more about any of these alternative filing methods, please write the Missouri Department of Revenue, P.O. Box 543, Jefferson City, Missouri 65105-0543, e-mail elecfile@dor.mo.gov, or call (573) 751-8150. To obtain electronic filing information, access dor. mo.gov/business/electronic.php. Persons with speech or hearing impairments may use TTY (800) 735-2966 or fax (573) 522-1762.

If you have no employer withholding tax to report, you may visit mytax.mo.gov/rptp/portal/home/business/file-withholding-tax-return to file a zero Form MO-941 electronically. You must submit returns, even if no tax was withheld. You can also file your quarter-monthly reconciliation online at the same website.

### Withholding Formula

- Updated withholding tax information is available starting on page 12 of this guide

### Federal Income Tax Deduction

In the 2018 legislative session, House Bill 2540 was passed and amended Section 143.171, RSMo, related to the federal tax deduction. Effective for tax year 2020, the federal income tax deduction taxpayers may claim is prorated based on the taxpayer's Missouri adjusted gross income. In an attempt to ease implementation of the new withholding formula, the Department of Revenue chose to remove the federal tax deduction from the withholding tax calculation. This change may result in a small increase to the amount withheld from employee's paychecks. Any withholding in excess of the tax owed will be refunded after the taxpayer files their individual income tax return.

Missouri Adjusted Gross	Allowed Federal Income Tax
Income is	Deduction Percentage is
\$25,000 or less	35%
From \$25,001 to \$50,000	25%
From \$50,001 to \$100,000	15%
From \$100,001 to \$125,000	5%
\$125,001 or more	0%

Not to exceed \$5,000 for single taxpayers or \$10,000 for combined returns.

### Paperless Reporting

Section 143.591, RSMo requires employers with 250 or more employees to submit the Transmittal of Tax Statements (Form MO W-3) and accompanying Form W-2's electronically

- The file must follow the Social Security Administration's EFW2 format along with Missouri modifications as outlined on page 9.
- The file must be submitted by January 31, 2024.
- A secure upload method will be provided by the Department.
- Visit dor.mo.gov/business/electronic.php for more information.

# Withholding Requirements for Nonresident Individual Partners and Shareholders

Partnerships and S corporations may be required to withhold Missouri income tax on nonresident individual partners and shareholders. If the partnership pays or credits amounts to nonresident individual partners as distributive shares of the partnership income for a taxable year of the partnership, or if the S corporation pays or credits amounts to nonresident individual shareholders as dividends or as their share of the S corporation's undistributed taxable income for the taxable year, withholding may be required. Withholding is not required if:

- The nonresident partner or shareholder, not otherwise required to file a return, elects to have the Missouri income tax due paid as part of the partnership's or S corporation's composite return;
- The nonresident partner or shareholder, not otherwise required to file a return, had Missouri assignable federal adjusted gross income from the partnership or S corporation of less than \$1,200;
- 3. The partnership or S corporation is liquidated or terminated;
- 4. Income was generated by a transaction related to termination or liquidation; or
- 5. No cash or property was distributed in the current or prior taxable year.

The required withholding must be remitted to the Department annually.

### Rounding on Missouri Returns

You must round the amounts that you withhold from your employees to the nearest whole dollar. For 1 cent through 49 cents, round down to the previous whole dollar amount (round \$32.49 down to \$32.00). For 50 cents through 99 cents, round up to the next whole dollar amount (round \$32.50 up to \$33.00). For your convenience, the zeros have already been placed in the cent columns on the returns.

# Missouri Income Tax Withholding Instructions

### 1. Employers

An employer is any person, firm, corporation, association, fiduciary of any kind, or other type of organization for whom an individual performs services as an employee, unless the person or organization for whom the individual performs service does not have control of the payment of compensation for the service (Section 143.191, RSMo). The term employer means the person, including all government agencies, who controls the payment of the compensation.

An employer required to withhold Missouri income tax is personally liable for the tax. Any amount of tax actually deducted and withheld by an employer is a special fund in trust for the Director of Revenue (Section 143.241, RSMo). An employee does not have a right of action against the employer with respect to any money deducted and withheld from his or her wages if it is paid to the Director of Revenue in good faith compliance with the Missouri income tax law.

Transient Employers — Section 285.230, RSMo, requires transient employers who temporarily transact any business in Missouri to file a financial assurance instrument with the Department to secure payment of withholding taxes.

Transient Employer Defined — A transient employer is an employer as defined in Sections 143.191, 285.230, and **288.032, RSMo**, who: 1) makes payment of wages taxable under the Missouri Income Tax Law, the Workers' Compensation Law, and the Missouri Employment Security Law; 2) is not domiciled in Missouri; and 3) temporarily transacts any business within the state. If the transaction of business is not reasonably expected to continue for 24 consecutive months, the employer must register as a transient employer.

Section 143.183, RSMo, requires a venue (venue is the entity that pays the entertainer) to withhold 2 percent of the gross compensation paid to nonresident entertainers who perform in Missouri if the gross compensation per event is in excess of \$300. If the venue withholds 2 percent of the gross compensation paid, the nonresident entertainer is no longer required to comply with the transient employer laws previously defined. The venue must file a Form MO-2ENT for each individual entertainer who performs at the venue's location. Form MO-1ENT must be filed on a quarterly basis with the Department which provides a total reconciliation of payments for individual entertainers during the quarter.

If the venue does not withhold 2 percent of the gross compensation paid to the nonresident entertainer who performed in the state, the professional entertainer is responsible for registering as a transient employer. Please use the following formula to compute Missouri withholding tax:

### Total Performance Days in Missouri

Performance Days in MO/Total Performance Days for the Year = Missouri Income Percentage

Missouri Income Percentage x \*Total Income = Missouri Income Missouri Income x 4.8% = Missouri Withholding Tax

\*Total income includes regular professional entertainer salaries, wages, guaranteed payments, deferred payments, severance pay, and bonuses paid or any other compensation paid to the nonresident professional entertainer or business entity.

For more information concerning transient employers, contact the Department by e-mail at business tax register @dor.mo.gov or write the Taxation Division, P.O. Box 357, Jefferson City, MO 65105-0357.

Section 143.091, RSMo, states that any term used in Sections 143.011 to 143.996, RSMo, shall have the same meaning as when used in a comparable context in the laws of the United States relating to the federal income taxes, unless a different meaning is clearly required by the provisions of Sections 143.011 to 143.996, RSMo. Any reference in Sections 143.011 to 143.996, RSMo, to the laws of the United States shall mean the provisions of the laws of the United States relating to federal income taxes, as the same may be or become effective, at any time or from time to time, for the taxable year.

### 2. Employer Registration and I.D. Number

### A. Employer to Register for Withholding

Every employer paying wages to an employee working in Missouri must register with the Department. Employers may register electronically at mytax.mo.gov/rptp/portal/business/register-new-business\_or\_by completing a paper Missouri Tax Registration Application (Form 2643). A permanent registration number will be assigned. This number is not transferable and should be referred to in all reports and correspondence concerning Missouri income tax withholding. If you have filed the registration application and have a report and payment due before you receive your registration number, write "Applied For" in the "Missouri Tax I.D. Number" box, list the name of the business exactly as it is on the registration application, and file the report timely to take advantage of the compensation deduction and to avoid interest and additions to tax charges. A new application is required and a new Missouri Tax I.D. Number will be assigned when any change in ownership or ownership type occurs. An employer who receives a new Missouri Tax I.D. Number as a result of a change in ownership type, must file a Final Report (Form 5633), Registration or Exemption Change Request (Form 126) to close the former account. Failure to close the former account will cause Non-Filer Notices to be issued.

Note: If your business is only open for several months out of the year, you may register as a seasonal employer. As a seasonal employer, you will only be required to file a Form MO-941 for the periods that you indicated you will have employees on Form 2643. (You may be considered a transient employer. Please refer to paragraph 1, "Transient Employer Defined".)

### B. Change in Organization or Ownership

A new Missouri Tax I.D. Number is required for most organizational or ownership changes. Contact the Department if any change in organization or ownership occurs. A new Missouri Tax I.D. Number can be obtained by registering online at mytax.mo.gov/rptp/portal/business/register-new-business\_ or by completing a Form 2643. You may e-mail businesstaxregister@dor.mo.gov or you may call (573) 751-5860 for more information about registration requirements and how they apply to your specific situation.

# C. Employer With More Than One Payroll Unit — Complex Employer

If a consolidated report and remittance of the tax withheld cannot be made by the employer because of the complexity of the organization, branch offices or divisions may be designated as withholding agents. The withholding agents may perform the actual withholding and remitting. However, regardless of any internal arrangements that may be established by the complex employer, the legal responsibility and liability under the law still rests with the home office.

If the complex employer has designated withholding agents and the agents wish to claim the compensation deduction, only one agent is entitled to the full compensation deduction and the remaining agents are entitled to 1/2 percent compensation deduction of income taxes withheld if the returns are filed timely.

The home office must, in all cases, apply to the Department using a Form 2643 for a Missouri Tax I.D. Number so the deduction for compensation can be allowed.

### 3. Who are Employees?

The term "employee" for Missouri withholding purposes has the same meaning as it has for federal withholding (see Circular E, Employer's Tax Guide, published by the Internal Revenue Service). This definition is the same for Missouri residents and nonresidents.

### 4. What are Taxable Wages?

The term "wages" for Missouri income tax withholding purposes has the same meaning as it has for federal withholding (see Circular E, Employer's Tax Guide, published by the Internal Revenue Service). Wages include all pay given to an employee for services performed. The pay may be in cash or in other forms. Wages include salaries, vacation allowances, bonuses, and commissions, regardless of how measured or paid.

### A. Nonresident Employees Subject to Withholding

If a nonresident employee performs all services within Missouri, tax shall be withheld from all wages paid to him or her as in the case of a resident. If services are performed partly within and partly without the state, only wages paid for services performed within Missouri are subject to Missouri income tax withholding, provided the employee files with the employer a Certificate of Nonresidence or Allocation of Withholding Tax (Form MO W-4A). The employee may determine the portion of wages allocable to Missouri on the basis of the preceding year's experience.

If only a portion of an employee's wages is subject to Missouri income tax withholding, then the amount of Missouri tax required to be withheld is calculated using a percentage of the amount listed in the withholding tables. The calculation begins by determining the amount that would be withheld if all the wages were subject to Missouri withholding. This amount is then multiplied by a percentage that is determined by dividing the wages subject to Missouri withholding by the total federal wages.

Example: A nonresident earns \$20,000 in wages, \$12,000 from Missouri sources. Missouri withholding would be 60 percent (\$12,000 / \$20,000 equals 60 percent) of the withholding required on \$20,000. Therefore, if \$100 per month should be withheld for an individual earning \$20,000, then for this nonresident, \$60 should be withheld each month ( $$100 \times 60 \text{ percent} = $60$ ).

### B. Resident of Missouri Employed in Another State

A Missouri employer must withhold Missouri tax if its Missouri resident employee performs services in a state with an income tax rate that is lower than Missouri's. The employer will withhold and remit to Missouri the difference between the states' withholding requirements, unless the employee has completed Form MO W-4C, Withholding Affidavit for Missouri Residents. This form relieves the employer of the responsibility for filing and submitting the difference to Missouri and places the responsibility on the employee. The MO W-4C is not a required form; if the employee chooses not to complete the form, the employer is responsible for reporting the appropriate amount of withholding to Missouri. If only a portion of an employee's wages is subject to Missouri withholding tax, then the amount of Missouri tax required to be withheld is calculated using a percentage of the amount listed in the withholding tables. The calculation begins by determining the amount that would be withheld if all the wages were subject to Missouri withholding. This amount is then multiplied by a percentage that is determined by dividing the wages subject to Missouri withholding tax by the total federal wages.

Employee Completes W-4C Example: The employee performs 40 percent of his or her services in Kansas. The remaining 60 percent of the employee's services are performed in Missouri.

If the total withholding on all earnings is \$40 per month, the actual withholding for Missouri would be \$24 (\$40 x 60 percent = \$24).

### C. Missouri Employer with Nonresident Employees

If a nonresident employee performs all services outside Missouri, his or her wages are not subject to Missouri withholding. A nonresident employee performing services in more than one state is subject to withholding as outlined in Section 4A.

Note: Missouri does not have a reciprocity agreement with any other state.

### D. Household Employees

Missouri follows federal guidelines regarding Household Employee(s). Refer to the Internal Revenue Service for additional information at irs.gov/.

Employer(s) of Household Employee(s) are not required to withhold income tax from wages paid to a Household Employee(s); however, this is an agreement made between the employer and employee. If the employee elects to have withholding tax withheld on their wages, complete the Tax Registration Application (Form 2643) found on our website at <a href="dor.mo.gov/business/">dor.mo.gov/business/</a> in order to report the taxes withheld on the Employer's Return of Income Taxes Withheld (Form MO-941).

For information concerning Business Tax Registration and the process to apply, as well as assistance for new businesses to understand all the requirements please visit our website at **dor.mo.gov/business/register**/. If you have additional questions or concerns, please contact the Business Tax Registration by e-mail at businesstaxregister@dor.mo.gov or (573) 751-5860.

### 5. Interstate Transportation Employees

A. Rail, Motor, and Private Motor Carriers

49 USC Sections 11502 and 14503 limit state taxation on wages of employees of rail, motor, and private motor carriers. Missouri withholding is required on rail, motor, and private motor carrier employees whose state of residence is Missouri. Employees of rail carriers and motor carriers who perform regularly assigned duties in more than one state are subject to state income tax only in their state of residency.

### B. Air and Water Carriers

49 USC Section 40116 limits taxation on wages of employees of air and water carriers to the employees' state of residence and to the state in which the employees earn more than 50 percent of the wages paid by the air or water carrier, if different from the state of residence.

### 6. Voluntary Withholding

A. Voluntary Withholding on Retirement, Pension, or Annuity Income Every Missouri resident receiving retirement, pension, or annuity income in this state, may elect to have an amount withheld as a payment of state income tax provided such income is taxable in this state. The recipient should determine the amount to be withheld and file Withholding Certificate for Pension or Annuity Statements (Form MO W-4P) with the administrator of his or her retirement, pension, or annuity plan. For further information call (573) 751-3505.

### B. Voluntary Withholding for Civil Service Annuitants

Civil service annuitants may elect to have state income taxes withheld from their regular annuity payments by contacting the Office of Personnel Management at (202) 606-0500.

Note: Visit **dor.mo.gov/forms/** for forms and more information about voluntary withholding.

# 7. Supplemental Wage Payments, Vacation Pay, Tips, and Lump Sum and Periodic Distributions

### A. Supplemental Wage Payments

If supplemental wages are paid (such as bonuses, commissions, severance pay, overtime pay, back pay, including retroactive wage increases, or reimbursements for nondeductible moving expenses) in the same payment with regular wages, withhold Missouri income tax as if the total of the supplemental and regular wages were a single wage payment for the regular payroll period.

If supplemental wages are paid in a payment separate from regular wages, the method of withholding Missouri income tax depends in part on whether you withhold income tax from the employee's regular wages.

If you withhold Missouri income tax from the employee's regular wages, you may choose one of two methods for withholding income tax on the supplemental wages:

- 1) Withhold a flat percentage rate of 4.8 percent of the supplemental wages.
- 2) Add the supplemental wages to the regular wages paid to the employee within the same calendar year for the payroll period and determine the income tax to be withheld as if the aggregate amount were one payment. Subtract the tax already withheld from the regular wage payment and withhold the remaining tax from the supplemental wage payment.

If you have not withheld income tax from the regular wages, you must use the method covered in Section 7, A.2. Add the supplemental wages to the regular wages paid within the same calendar year for the payroll period and withhold income tax on the total amount as if the supplemental wages and regular wages were one payment for a regular payroll period.

### B. Vacation Pay

If an employee receives vacation pay for an absence, the vacation pay is subject to Missouri income tax withholding as if it were a regular wage payment made for the payroll periods during the vacation. If vacation pay is paid in addition to regular wages for the vacation period, the vacation pay is treated as a supplemental wage payment.

The vacation pay of an employee who is not a resident of Missouri, but works in Missouri, is subject to Missouri income tax withholding.

### C. Tips

Employers must withhold Missouri income tax based upon total tips reported by the employee. Withhold Missouri income tax on tips using the same options indicated for withholding on supplemental wage payments in Section 7.A.

### D. Lump Sum and Periodic Distributions

Missouri follows the federal guidelines for lump sum and periodic distributions. On lump sum distributions, withhold at the rate of 4.8 percent. If a periodic distribution, follow the formula on page 12, or use the tax tables provided on pages 16-25.

### 8. Determining Proper Amount to Withhold

To determine income tax withholding, take the following factors into account:

- Wages paid during the payroll period, including tips and vacation pay;
- 2) Filing status as indicated on the Form MO W-4.

3) If an employee does not complete and turn in the required Form MO W-4, withhold at a single tax rate.

### A. Employee Withholding Certificate (Form MO W-4)

Each employee is required to file a completed Form MO W-4 to indicate their filing status on their income tax return. The Form MO W-4 will be used by the employer to determine the amount of Missouri income tax that must be withheld from each paycheck. If an employee has more than one employer, he or she may want to withhold an additional amount on Line 2 of Form MO W-4 for their principal employer. This is to ensure that the total amount withheld will be closer to the actual income tax liability. Failure to have enough withheld from each payroll period could cause an employee to have too little tax withheld and subject the employee to underpayment penalties. If an employee expects to have income other than his or her wages, or income from multiple jobs he or she may request additional amounts be withheld in addition to the standard withholding calculations that are based on the standard deduction for the filing status indicated on the Form MO W-4. The additional amount should be included on Form MO W-4, Line 2. In addition, employees that expect to receive a refund (as a result of itemized deductions, modifications or tax credits) on their tax return, may direct the employer to only withhold the amount indicated on Line 3 of the MO W-4. The employer will not use the standard calculations for withholding. This will be an exception situation, most taxpayers will not use this option. If the employee does not indicate an amount to withhold or if the amount indicated is more than is available for the payroll period, the employer will use the standard calculations. Within 20 days of hiring a new employee, please mail a copy of the completed Form MO W-4 to the Missouri Department of Revenue, P.O. Box 3340, Jefferson City, MO 65105-3340 or fax a copy to (573) 526-8079. For additional information regarding new hire reporting, please visit dss.mo.gov/child-support/employers/new-hire-reporting.htm.

### B. Exemption For Nontaxable Individuals

Exemption from withholding for nontaxable individuals is valid only if an employee submits to the employer a completed Form MO W-4 certifying that the employee has no income tax liability from the previous year and expects none for the current year. Employees must file a Form MO W-4 annually if they wish to continue the exemption.

<u>Military Spouses Residency Relief Act</u> Missouri income for services performed by a non-military spouse of a nonresident military service-member is exempt from Missouri income tax. To qualify for this exemption, the spouse must reside in Missouri solely because the military servicemember is stationed in Missouri under military orders and be a permanent resident of another state.

If a non-military spouse of a nonresident servicemember completes a new Form MO W-4 to claim an exempt status because of the Military Spouses Residency Relief Act, employers must receive verification from the non-military spouse that they are a resident of another state, and are living in Missouri because of military orders before the exempt status can be granted. Verification of military status can be in the form of a Leave and Earnings Statement of the nonresident military servicemember, Form W-2 issued to the nonresident military servicemember, a military identification card, a spousal military identification card, or specific military orders received by the servicemember. Verification of residency can be in the form of a copy of a prior year's state income tax return filed in their state of residence, a current drivers license, vehicle registration, or voter identification card from the state of residency.

Active Duty Members of the Armed Forces of the United States

Income earned as a member of any active duty component of the Armed Forces of the United States that is eligible for the military income deduction on Form MO-1040 is exempt from withholding.

### 9. Withholding Tables and Formula

A. Withholding Tables

Use the gross taxable wages to determine the amount of withholding. In determining the amount of tax to be withheld, use the table for the correct payroll period — daily, weekly, biweekly, semimonthly and monthly periods. Tables show wage brackets in the two left-hand columns. The filing status is shown at the top of each of the remaining columns. The withholding tables are provided at dor.mo.gov/business/withhold/.

### B. Percentage Formula Withholding

The formula on page 12 may be used on electronic data processing equipment for withholding Missouri income tax. Any variation from this formula must be approved in writing by the Director of Revenue.

### 10. Return and Payment of Taxes Withheld

Every employer withholding Missouri income tax from employees' wages is required by statute to report and remit the tax to the state of Missouri on Form MO-941. A separate Form MO-941 must be filed for each tax period according to your assigned filing frequency. A pre-printed voucher booklet detailing the employer's name, address, employer identification number, filing frequency, and due date is provided to each active account on a monthly, quarterly, or annual filing frequency. Quarter-monthly filers are required to file and pay by an alternative method. (See page 2.) If an employer misplaces, damages, or fails to receive the necessary reporting forms, replacement forms should be requested, allowing sufficient time to file a timely return. If a blank form is used, the employer's name, address, and Missouri Tax I.D. Number must appear as filed on previous returns and the period that the remittance is made must be indicated. Blank forms can be downloaded from the Department's website at: http://dor.mo.gov/. Failure to receive reporting forms does not relieve the employer of the responsibility to timely report and remit tax withheld. If an employer temporarily ceases to pay wages or is engaged in seasonal activities, a return must be filed for each period even if no tax was withheld. Failure to do so will result in the issuance of Non-Filer Notices.

All returns and remittances should be mailed to: Missouri Department of Revenue, P.O. Box 999, Jefferson City, MO 65108-0999. See address labels in voucher books. Returns and payments are due on the dates shown in Section 11.

Note: Your return is considered timely if it is postmarked on or before the required due date. If a metered postmark differs from the U.S. Postal Service postmark, the U.S. Postal Service postmark will be used as evidence of timely filing. When the due date falls on a Saturday, Sunday, or legal holiday, the return and payment will be considered timely if postmarked on the next business day.

### 11. Filing Frequency Requirements

Missouri income tax withholding returns must be filed by the due date as long as an account is maintained with the Department, even if there was no payroll for the reporting period. Returns must be filed each reporting period, even though there may not have been any tax withheld. If no tax was withheld, file a zero withholding tax return online at mytax.mo.gov/rptp/portal/business/file-withholding-tax-return.

There are three filing frequencies: monthly, quarterly, and annually. A newly registered employer is initially assigned a filing frequency on the basis of his or her estimation of future withholdings. If the assigned filing frequency differs from the

filing requirements established by statute, it is the employer's responsibility to notify the Department immediately. The time for filing is as follows:

- 1) Monthly Employers required to withhold \$500 per month for at least two months during the preceding 12 months shall file on a monthly basis;
- 2) Quarterly Employers not required to file and pay taxes withheld on a monthly basis who withhold at least \$100 per quarter during at least one quarter of the preceding four quarters shall file on a quarterly basis;
- Annually Employers required to withhold less than \$100 during each of the preceding four quarters shall file on an annual basis.

Regardless of the employers filing frequency, only one Form MO-941 return should be filed per tax period. In the event an additional amount of tax must be paid, please refer to Section 13.

### 12. Quarter-Monthly

Any employer who withheld \$9,000 or more in each of at least two months during the prior 12 months shall remit payment to the Director of Revenue on a quarter-monthly basis. One of the alternative payment methods on page 2 must be used.

A quarter-monthly period means:

or

- 1) The first seven days of a calendar month;
- 2) The eighth to the fifteenth day of a calendar month;
- 3) The sixteenth to the twenty-second day of a calendar month;
- 4) The twenty-third day through the last day of a calendar month.

The employer must make a payment, at the end of each quarter-monthly period to pay 90 percent of the withholding due for the filing period. The payment must be made within three banking days following the end of the quarter-monthly period or deposited in a depository designated by the director within four banking days after the end of the quarter-monthly period. Banking days shall not include Saturday, Sunday, or legal holidays. The compensation authorized in **Section 143.261, RSMo**, may be taken by the employer against the payment required to be made only if such payment is made on a timely basis.

As a quarter-monthly remitter you have the option to:

- Pay 100 percent of the estimated quarter-monthly amount, as determined by the Department, within three banking days after the end of each quarter-monthly period (four times a month);
- 2. Pay at least 90 percent of the actual tax due by the due date of that particular quarter-monthly period. If there is not a payroll during a quarter-monthly period, no quarter-monthly payment voucher is necessary.

Any additional tax due at the end of the month must be paid on or before the due date of the monthly tax return. Visit <a href="dor.mo.gov/business/withhold/">dor.mo.gov/business/withhold/</a> for more information about alternative filing methods.

Example: An employer has a semi-monthly payroll cycle which falls on January 15 and on January 31. The actual Missouri income tax withholding for the January 15 payroll is \$12,000. The employer must remit at least 90 percent of the \$12,000 (\$10,800) with the 2nd quarter-monthly payment due no later than January 18. The actual Missouri income tax withholding for the January 31 payroll is \$15,000. The employer must remit at least 90 percent of the \$15,000 (\$13,500) with the 4th quarter-monthly payment due no later than February 5. Because the employer did not have a payroll during the 1st or 3rd quarter-monthly periods, a quarter-monthly payment does not need to be submitted for those two periods.

Example: An employer has only one monthly payroll period and it falls on January 20. The actual Missouri income tax withholding for the January 20 payroll is \$30,000. The employer must remit at least 90 percent of the \$30,000 (\$27,000) with the 3rd quarter-monthly payment due no later than January 25. Because the employer did not have a payroll during the 1st, 2nd, or 4th quarter-monthly periods, a quarter-monthly payment does not need to be submitted for those three periods.

The withholding tax return is due by the 15th day of the following month, except for the third month of a quarter, which is due the last day of the following month. If a balance is due, pay the remaining amount using TXP or online filing. Submit a withholding tax return by printing and mailing a Form MO-941 or online at mytax.mo.gov/rptp/portal/home/fileandpaybusinesstaxesonline.

See page 2 for more information on alternative filing methods.

Any employer who has been placed on a quarter-monthly payment frequency who has not withheld \$9,000 or more in two months of the prior 12 months, may request permission from the Department to pay on a less frequent basis. An employer must pay on a quarter-monthly basis for a minimum of 12 months before requesting a change in filing frequency.

### 13. Under and Over Reporting of Withholding

If withholding tax was under or over reported on any Form MO-941 filing, the employer must file an Amended Form MO-941. Indicate on the MO-941 if the form is an Amended.

<u>Underpayments:</u> Interest and additions to tax will be imposed on the underpaid portion according to established procedures. The Additions to Tax and Interest Calculator is located at dor.mo.gov/calculators/interest/.

Overpayments: Employers should first verify with the Missouri Department of Revenue the amount of overpayment the employer is authorized to claim. Documentation supporting any overpayment must be submitted with any Amended Form MO-941. For example, if tax was withheld to Missouri and should have been withheld to another state, a W-2C must be provided. If the adjustment is due to a calculation error, a payroll ledger showing the correction must be provided. In other instances, the employer must provide a detailed explanation of the errors that occurred.

If the Department authorizes an overpayment, the overpayment may be used to offset a debt within your withholding tax account. Any overpayment can be used on Line 3 of a future <u>paper MO-941</u> return or issued back as a refund upon completion of the Employer Withholding Tax Refund Request (<u>Form 4854</u>).

Claims for overpayment must be postmarked within three years from the date the return was filed or two years from the date the

tax was paid, whichever period expires later. If no return was filed by the employer, a claim for credit or refund must be filed within two years from the time the tax was paid. No claim for credit or refund will be allowed after the expiration of the period of limitations prescribed in **Section 143.801**, **RSMo**.

An Amended Form MO-941 may be obtained by accessing the Department's website at: **dor.mo.gov/forms/**, writing the Taxation Division, P.O. Box 3022, Jefferson City, MO 65105-3022.

### 14. Employer Compensation

Employers, except the United States, the state of Missouri, and all agencies and political subdivisions of the state of Missouri or the United States Government, may deduct and retain as compensation from remittances made to the Director of Revenue on or before the respective due dates for the payment involved, the following percentages of the total amount of tax withheld and paid annually.

COMPENSATION PERCENTAGE	YEAR-TO-DATE TOTAL JANUARY-DECEMBER
2%	0 to \$5,000
1%	\$5,001 to \$10,000
1/2%	In Excess of \$10,000

This is an annual accumulative total. After employers withhold \$10,000, they are entitled to one-half percent compensation for the balance of the year.

The employer is not entitled to compensation if payment is not made on or before the due date. If the compensation deduction is allowable, the deduction must be deducted on each return filed.

Notice to Quarter-Monthly Remitters: The compensation deduction authorized in Section 143.261, RSMo may be taken by the employer against the payment required to be made as long as the payment is made by the employer on a timely basis as provided in **Section 143.851, RSMo**.

# Employer Withholding Tax Frequently Asked Questions

- Q. What is the timely compensation deduction?
- A. Employers who are not government agencies or political subdivisions may receive a deduction if their Employer's Return of Income Taxes Withheld (Form MO-941) is timely filed and timely paid. If my February withholding tax is \$4,000, (my year-to-date withholding tax would be \$8,000), I will receive a 2 percent compensation deduction for \$1,000 and a 1 percent compensation deduction for the remaining \$3,000 of the February withholding tax if timely filed and timely paid.
- Q. How do I file a corrected withholding tax return?
- A. If you have overpaid or underpaid your withholding tax, file an Amended Form MO-941.

# 2024 Missouri Withholding Tax Formula

### Step 1—Using Annual Amounts

(Refer to Federal Publication 15 for questions concerning gross taxable income.)

- 1. **Gross Taxable Income** Determine the employee's total wages for the payroll period. Multiply this amount by the number of payroll periods you have in a year. The result is the employee's annual wage. (Multiply by: 260 if you pay daily, 52 if you pay weekly, 26 if you pay bi-weekly, 24 if you pay semi-monthly, or 12 if you pay monthly.)
  - Note: If the employee has supplemental or overtime pay, see the withholding procedures outlined below.
- 2. Filing Status Standard Deduction (annual amounts)

Single: \$14,600

Married and Spouse Works: \$14,600 Married Filing Separate: \$14,600

<u>Married and Spouse Does Not Work</u> (this is determined by the check box on Form MO W-4, Line 1, and is not a separate filing status): \$29,200

Head of Household: \$21,900

3. **Missouri Taxable Income** — Subtract the annual Standard Deduction from the annual gross taxable income. The result is the employee's Missouri taxable income.

### Step 2

- 1. **Missouri Withholding Tax** Multiply the employee's Missouri taxable income by the applicable annual payroll period rate. Begin at the lowest rate and accumulate the total withholding amount for each rate. The result is the employee's annual Missouri withholding tax.
- 2. Missouri Withholding Tax Per Payroll Period Divide the employee's annual Missouri withholding amount by: 260 if you pay daily, 52 if you pay weekly, 26 if you pay bi-weekly, 24 if you pay semi-monthly, 12 if you pay monthly. The result is the employee's Missouri withholding tax per pay period.

Rounding on Missouri Withholding Reports. You must round the amounts that you withhold from your employees to the nearest whole dollar.

In the 2018 legislative session, House Bill 2540 was passed and amended Section 143.171, RSMo, related to the federal tax deduction. Effective for tax year 2019, the federal income tax deduction taxpayers may claim is prorated based on the taxpayer's Missouri adjusted gross income. In an attempt to ease implementation of the new withholding formula, the Department of Revenue chose to remove the federal tax deduction from the withholding tax calculation. This change may result in a small increase to the amount withheld from employee's paychecks. Any withholding in excess of the tax owed will be refunded after the taxpayer files their individual income tax return.

The Department of Revenue encourages all employees to review their W-4 and to make corresponding changes based on their filing status. There are no longer allowances in the Missouri withholding tables. Employees can no longer increase or decrease the amount withheld from their paychecks by claiming allowances that are not consistent with their specific filing situation. If the employee needs additional amounts withheld, they should add the additional amount on line 2 of the W-4.

### Supplemental Pay Withholding

If the employee has supplemental or overtime pay, and the payment is included with normal wages, apply the withholding formula to the total payment as if it was a regular payroll wage payment.

If the employee has supplemental or overtime pay and the overtime wages are paid separately from regular wages, you may withhold based upon one of the following two methods.

- · Withhold a flat percentage rate of 4.8 percent of the supplemental wages; or
- Add the supplemental wages to the regular wages paid for the payroll period and apply the withholding formula to the total amount as if it was a regular payroll wage payment. Then subtract the tax already withheld from the regular wage payment and withhold the remaining tax from the supplemental payment.
